

About

Camp Wapiyapi

Camp Wapiyapi is a non-profit summer camp for kids dedicated to fostering friendships, fun, and healing outside of the hospital for families facing childhood cancer. The program serves over 100 kids each summer at no cost to families!

The Belt Buckle Challenge

Three 100-target fun shoots where the proceeds send kids and siblings fighting pediatric cancer to Camp Wapiyapi's summer camp.

The **individual winner** of the 2025 Series will be determined by adding each shooter's two highest event scores to qualify for the top-5 shoot-off on September 20th. **Sponsored Squads** can qualify on a single shoot; the squad's average score will be used to determine which two squads qualify for the shoot-off. Station prizes, BBQ lunches, Rockabilly music and trade/demo fair, plus custom belt buckles for the winners!
